Reflection

READING

“My candle burns at both ends;

It will not last the night;

But, ah, my foes, and oh my friends

It gives a lovely light.”

“Gently they go, the beautiful, the tender, the kind; Quietly they go,
the intelligent, the witty, the brave. I know. But I do not approve.

And I am not resigned.”

- *Edna St Vincent Millay*

SONG - "FOREVER YOUNG"

May God bless and keep you always

May your wishes all come true

May you always do for others

And let others do for you

May you build a ladder to the stars

And climb on every rung

May you stay forever young

Forever young, forever young

May you stay forever young.

May you grow up to be righteous

May you grow up to be true

May you always know the truth

And see the lights surrounding you

May you always be courageous

Stand upright and be strong

May you stay forever young

Forever young, forever young

May you stay forever young.

May your hands always be busy

May your feet always be swift

May you have a strong foundation

When the winds of changes shift

May your heart always be joyful

And may your song always be sung

May you stay forever young

Forever young, forever young

May you stay forever young.
