I live in the hills
You live in the valleys
And all that you know are those blackbirds
You rise every morning
Wondering what in the world will the world bring today
Will it bring you joy or will it take it away
And every step you take is guided by
The love of the light on the land and the blackbird’s cry
You will walk in good company...

......I love the best of you
You love the best of me
Though it is not always easy
Lovely? lovely?
We will walk in good company
